4.3 Clerk's Report

A copy of the written report presented is filed.

Verbal update given:

- Museum4Watton lease has been signed.

The Mayor has written a letter of support for the Museum4Watton to accompany the Heritage Lottery funding bid which is in its final stages.

- It is a legal requirement for public buildings frequently visited by members of the public to display a current Display Energy Certificate (DEC) and have in their possession a valid Recommendation Report if the size of the building is over 250m².

This is likely to be needed for the Town Hall and possibly the Youth & Community building and thus further investigation will be undertaken.

- The Town Handyman has begun to paint the flower tubs in the High Street and is compiling a list of tools he needs. It is suggested a bowser, generator and steam cleaner if purchased would allow cleaning to be easily undertaken e.g. Church Walk gates, bus shelters. At present the litter bin at the end of Church Walk, which was set on fire, has not been replaced due to the current level of vandalism in the town.

- The annual inspection of the stair lift has taken place and although the lift is working the toggle control switch is not and needs to be repaired.

- The Town Council has been approached regarding flying the Red Ensign for Merchant Navy Day which has raised the question again regarding the possible need for a suitable flag pole.

- Notice received of Watton Society Annual Quiz 2017 - Wednesday Oct. 4th 7.30pm Queen's Hall.

- Notice of vacancy following resignation of Janet Carr posted on 04.07.17.

- The lease for the allotment land at Thetford Road has become somewhat protracted and the solicitor's acting on behalf of the TC has revised the estimated legal costs from £2000 to £2500.

- Useful website for contacts for local organisations: www.asklily.org.uk

- The Town Council is one of the three possible beneficiaries for the current round of the Tesco Bags of Help Grant Scheme at the Watton store. Money awarded to go towards the 2017 firework evening.

- A provisional date of the 8th September 2017 has been arranged for a meeting with George Freeman MP.

8. CEMETERY FEES – item to be deferred to meeting on 25.07.17.

9. WAYLAND PARTNERSHIP GRANT

All agreed in principal that £1500 would be added to the 2018 and 2019 budget to be granted to the Wayland Partnership as match funding should the Wayland Community of Culture Project bid receive the LEADER funding requested. This figure is about 3% of the total project.
