2.2 According to the Chartered Institute of Personnel and Development (2007), training can be defined as:

“A planned process to develop the abilities of the individual and to satisfy current and future needs of the organisation.”

2.3 Watton Town Council recognises that its most important resource is its Councillors and officer(s) and is committed to encouraging both Councillors and officer(s) to enhance their knowledge and qualifications through further training. Some training is necessary to ensure compliance with all legal and statutory requirements.

2.4 The Council expects the officer(s) to undertake a programme of continuing professional development (CPD) in line with the requirements of their requisite professional bodies.

2.5 Providing training yields a number of benefits:

- Improves the quality of the services and facilities that Watton Town Council provides;
- Enables the organisation to achieve its corporate aims and objectives;
- Improves the skill base of the employee(s), producing confident, highly qualified staff working as part of an effective and efficient team; and
- Demonstrates that the employee(s) is/are valued

2.6 Training and development will be achieved by including a realistic financial allocation for training and development in the annual budget, as well as taking advantage of any relevant partnership or in-house provision available.

2. Planning and organising training to meet those specific needs.
3. Designing and delivering the training.
4. Evaluating the effectiveness of training.

3 The Identification of Training Needs

3.1 Employees will be asked to identify their development needs during regular meetings with councillors. There are number of additional ways that the training needs of both Councillors and staff may be recognised:

- Following confirmation of appointment
- Formal and informal discussion

- Devolved services / delivery of new services

3.3 Employees who wish to be nominated for a training course should discuss this in the first instance during talks with councillors; where it will be determined whether the training is relevant to the Council's needs and/or service delivery.

4 Corporate Training

4.1 Corporate training is necessary to ensure that employee(s) are aware of their legal responsibilities or corporate standards e.g. Health and Safety, Risk Management and Equal Opportunities. Employees will be required to attend training courses, workshops or seminars where suitable training is identified.

5 Financial Assistance

Each request will be considered on an individual basis and the benefits to the individual and the organisation will be identified.

In order to best ensure cost effectiveness, Councillors and employee(s) will be required to attend the nearest college/venue offering the required course, unless an alternative is authorised by full council in the interest of operational effectiveness or Best Value.

5.2 Other considerations include the following:

5.4 Councillors and officer(s) attending assisted courses are required to inform the Clerk or Councillors immediately of any absences, giving reasons.

5.5 Failure to sit an examination may result in the Council withdrawing future course funding and/or requesting the refunding of financial assistance. Each case will be considered on an individual basis.

5.6 Any employee undertaking post-entry qualifications funded by the Council must be aware that should they leave Watton Town Council employment within two years of completion of the qualification they will be required to repay all costs associated with the undertaking of such training.

If the employee takes up employment with another Local Authority an exemption to this clause may be granted.
