PCSO Jermy presented the crime figure report (previously circulated).

The Chairman explained to Members that there had recently been problems of anti social behaviour at the Total Health Pharmacy.

Sergeant Abbs reported that the police had commenced engagement with the four youths involved. Police patrols had been increased and the situation was now under control. The owner of Total Health complimented the police on their action but expressed concern that it had taken seventeen minutes to respond.

Councillors were concerned about the amount of litter which groups committing anti social behaviour were generating in various areas around the town, drinking in areas which were restricted, the lack of police action, and problems with youths entering the former plaswood where the security fencing had been flattened.

There were also concerns that although the High School had been contacted on various occasions, no response had been forthcoming.

Sergeant Abbs informed the Council that in January 2012 there would be more police in Watton, based at the police station, and that the response team would be based out of Thetford and not Dereham.

Councillor Harvey felt that rather than combine committees, there should be two Full Council meetings per month, where all Members would be able to discuss and vote, and that decisions would be made, thus speeding up the work of the Council. He also highlighted that this would eliminate the cancellations of meetings due to not being quorate.

Councillors Rudling and Gilbert disagreed and felt that the Committee structure should stay, with Councillor Rudling wanting Policy and Resources to meet bi-monthly, as he felt that finances needed to be looked at.

The Chairman reminded Councillor Rudling that the existing committees already had delegated power to spend their budgets.
