

Watton Town Council Grant

For those of you who are not familiar with Watton Thursday club – we provide a monthly social club for learning disabled adults to come together in a familiar and safe environment. Some members are living with family or in supported independent living, while some are in full time care. A programme of events is organised to include music, dance, games and sometimes food. In the summer if funds permit we arrange an outing.

Watton Thursday club are extremely grateful to Watton Town Council for awarding the club a grant of £500. This money was used towards providing a Christmas party for our members at The Wells Cole community Centre in Saham Toney. Members enjoyed a buffet supper followed by a disco, and all went home with a Christmas gift.

The club is entirely dependent on the generosity of local organisations and individuals for financial support, and has been supporting vulnerable people for more than 40 years. We would be delighted to hear from anyone who has a few hours to spare to join our team.
