

## Loch Neaton Recreation Ground

### Watton Town Meeting 2021

Loch Neaton has benefited from a grant of £500 in 2019 that enabled us to purchase both a 200 litre Wheelbarrow and a Petrol-Powered Walk Behind Strimmer.

These are a real boon to volunteers in rubbish clearing and grounds maintenance. As well as being securely locked up they are both are also extensively engraved with the words Loch Neaton to deter theft!

In the summer of 2020, the council decide to purchase us a metal bench aimed at providing a pleasant seating area for young people slightly away from the main picnic area and we are please to say that this has been extensively used. The design is attractive and extremely rugged to deter vandalism and graffiti and too date we are please to say is still in pristine condition.

The Trustees really appreciate this help in their efforts to restore the Loch to the jewel of the town again.

**Loch Neaton Recreation Ground is registered with the Charity Commission. Reg. Number 304105**

Board of Trustees - Chair: Jane Fountain - Deputy Chair: Pat Warwick – Treasurer: Phil Kibler  
Julie Bradbury – Philip Attenborough
