

I.W. Report to the Town Council.

The Inner Wheel Club of Watton is part of the Rotary family and is one of many clubs throughout the world. We are a Charity, and our aim is to promote friendship, service and international understanding. We meet on the 3rd Thursday of the month at the Methodist Centre.

2023/4 is a special time as it is 100 years since the organisation was formed in Manchester. All clubs have been challenged to find ways to celebrate this. In Watton so far we have donated 100 Christmas cards for residents in local Care Homes and 100 Christmas items for the Food Bank. Some of our members have been busy knitting, so look out for a post box topper outside Tesco's. Other ideas are being considered.

We like to be involved in serving the community. Our Lunchtime Concerts are very popular and we support the Town Council with stalls at the Festive Market and the Open Gardens. We also help with Wednesday Coffee Mornings at the Methodist Centre. Charities recently supported **by raising money at** these and other events include Watton Food Bank, St. Martin's Housing Trust, the local Salvation Army, Air Ambulance, The Nook, Home Start, the Dogs Trust, Little Lifts and Big 'C' Cancer.

We are a friendly group of ladies. If anyone is interested in joining Inner Wheel I can be contacted on 01953882915.

Beryl Brannan

President.
