

WATTON SPORTS

ASSOCIATION & SOCIAL CLUB

The Sports Centre and Watton United Football Club would like to thank Watton Town Council for their grant to enable us to run three coaches to The Football Development Centre in Bowthorpe for the semi-final of the Norfolk Senior Cup.

It is 25 years since a Watton team achieved such a high ranking in the league bringing both pleasure to the fans and kudos to the town. The council grant, along with assistance from the club and WSC helped us subsidise travel costs to enable fans young and old to travel to watch the match.

Sadly, the team didn't win but did the town proud against a club that is in a league 3 steps higher than our boys.

Thank you, Watton Town Council and thank you Watton United for your spirit and determination.
