1<sup>st</sup> Watton Guides and Watton Rangers applied for a grant of £500 from Watton Town Council in 2023.

The main reason for the application was that we were undertaking a camp (our 1<sup>st</sup> one since Covid) and when we inspected our tents, we found that one tent was damaged and that our Gazebo that we use at camp were both damaged beyond repair. We duly replaced both items using the Grant greatly received from Watton Town Council.

On the 7<sup>th</sup>-11<sup>th</sup> August 2023 at Eaton Vale Activity Centre, Eaton, Norwich. 11 girls and 4 leaders spent a fantastic 4 nights/5 days at camp. The girls had an awesome time doing at least one activity a day ranging from kayaking, axe throwing, obstacle course, indoor wall climbing and archery. Most of the girls had never been away before and to see how they blossomed at the end of the week having camped, prepared and cooked all the meals and experienced activities they had not experienced before made being an Adult Leader even more worthwhile.

A huge thank you from all the girls and leaders for the grant which will hopefully mean we can continue camping for many years to come.

Many thanks
