- To date the Council has received three applications for the two casual vacancies on the Town Council. Breckland Council has been informed of the resignation of Anthony Bridges and the process has begun to also fill this vacancy. It is suggested, and agreed, that if no election is called for this third vacancy the Town Council will look to fill the three vacancies at the same time.
- An aim of the Norfolk Community Heritage Milestone Project is to have the full set of 20 Norwich - Watton milestones repainted this year. Volunteers are prepared to paint the stones and it was agreed the Council, as requested, will provide the paint (at a cost of £30) for the two milestones in the parish.

4.4 Lead Councillors Reports

- Report from Cllr Hutchings had been shared by e-mail prior to the meeting. Report included an update from the Reclaim the Rain meeting held on 18.12.25, a formal thanks for the Town Councils efforts to consider concerns relating to the proposed development site adjacent to

Wayland Woods and an acknowledgment of integrity relating to Cllr Hutchings role as a Trustee of the Loch Neaton Charity.

(It was suggested that the Events & Marketing Officer could be tasked with investigating the possibility of whether there might be funding available to enable the Town Council to purchase a strip of land adjacent to Wayland Wood which would be a buffer zone between the SSI and development.)

- Cllr Martin reported that a new light head has eventually been installed at the east end of Church Walk.

Item 4.5 Clerks Report

Bridle Road and Sports Centre update

The Events and Marketing Officer has been investigating alternative safety surfacing for the Sports Centre Play Area to make the site more accessible for all.

It has also been noted that Bridle Road Play Area would not be classed as accessible for all as there is no path from the dropped kerb closest to the site so options are also being researched.

Bridle Road Play Area is currently benefitting from quite regular visits from Norfolk Youth Justice Service Team who are helping to better clear the boundary path.

Written request for agenda items from Cllrs

Just a polite reminder that Cllrs are asked to give written notice at least 7 clear days before the meeting if they wish to place a motion on the agenda. We will always try to accommodate such requests but it is helpful to receive them in good time and for instructions to be clear please!

Thetford Road development

Last year Endurance Estates contacted the Council regarding “proposals for a new, high-quality residential development, Land at Thetford Road, Watton”. The site is to the right when leaving Watton past the Thetford Road roundabout.

The consultant has stated “that plans are still in the early stages and the aim is to deliver new homes whilst providing a natural extension to the community with access to local services and green spaces. The vision aims are to support Watton’s long-term growth in a sensitive, well-planned way that respects its character”.

Ahead of launching a public consultation, the developers would like to invite Councillors to a briefing to gather feedback and answer any questions.

Watton and Saham Flood Action Group has also been invited to the meeting.

It is likely this site will come forward before the Breckland Local Plan is adopted as warned by Becky Collins the Head of Development at Breckland Planning at the Reclaim the Rain Green Blue Urban stakeholders meeting held before Christmas.

21.01.26 - To date the developer has been asked for clarification of a date and location for the suggested meeting.

1	Declaration of interest

2	Notes from meeting 11/12/25
	- Notes from previous meeting were accepted as an accurate record of the meeting.
5	Updates from meeting 11/12/25 & discussions on 15/01/26
	<ul style="list-style-type: none"> - JW has looked at the SLA's and suggested that an external consultation is carried out to look at what systems are in place and what cost reductions could be suggested. JW suggested it could cost between £250-500 for an external consultation, this is to go on the agenda for the next full council meeting. - JW suggested looking at accessibility features for how the TC communicates with the community, e.g. large print, and look at signing up to a translator service. Could the office look at putting out a poll on social media to find out how the public best receive communication, e.g. social media, posters, newspaper, etc. - JW wants the TC to invest in CCTV to have down the high street, local businesses can't afford it and don't want to provide CCTV footage to the police when required for crime as would put a target on their shop. The council should be looking at public safety. Office staff to look at putting out a poll on social media to gather public interest/opinion on having CCTV in the high street. JW also suggested an anonymous reporting system run by the council for the public to report crime when they don't feel comfortable dealing with the police. - Regarding the wi-fi in the high street, JW proposed two options to explore. Option 1 would be wi-fi extenders that boost the TC wi-fi at regular intervals down the high street. Option 2 would be smart benches that have wi-fi, due to the size of the wi-fi network it would need to be a managed service to monitor logging into the wi-fi tracking use, managing advertising space on the log in page, etc. Option 1 would not be largely expensive, Office staff to look at managed wi-fi services. - Smart street furniture as the Option 2 would include wi-fi, but could also include USB charging ports, footfall counters, and audio functions to tell stories about Watton. EMO is currently in contact with Westcotec regarding smart bench options and will present options when the information has been collated. JW would like to trial 4 smart benches, two on either side of the high street – this would require removing the benches currently installed. - JW proposed an Our Town App, costing £5,000 to set up and then an outlying cost of around £150 a month to upkeep. This could be used to communicate with the public and allow them to book appointments with the council. Currently appointments are not

	<p>required for the public to come in with an enquiry. JW also proposed the need for a new website; the old website is outdated and could do with being updated.</p> <ul style="list-style-type: none"> - EMO voiced concerns regarding funding options for all of the above instalments and improvements, there are very limited funding pots out there at present. JW suggested borrowing money from central government for all of the above and paying back over a 50-year period.
6.	Priorities moving forward
	<ul style="list-style-type: none"> - Highstreet Wi-Fi - IT requirements consultation - CCTV in the high street - Getting quotes for smart benches
7.	Actions
	<ul style="list-style-type: none"> - CCTV to go on next Council agenda - Office to look at a managed Wi-Fi service - Quotes for smart benches - Viability for updating website and Town App to go on agenda - Poll to go out on how the public best receive communication
Next Meeting Thursday 12th February

Option 1 would be wi-fi extenders that boost the TC wi-fi at regular intervals down the high street.

Item 8.2

Minutes from the Watton Town Council Finance Committee Meeting held on Thursday January 15th 2026 at Wayland Hall

Present: Don Saunders (Chairman), Stan Hebborn, Sue Hebborn, Gillian Tarrant

Officers Present: Jane Scarrott and Michelle Thompson

Cllr Tomos Hutchings present as an observer.

1. No Apologies for absence received. Noted that Tina Kiddell is the “reserve” member of the Committee.
2. No Declarations of Interest made.
3. Minutes of the meeting held on 11.12.25.
 - i. The Minutes of the Finance Committee Meeting held on 11.12.25 were confirmed as correct and signed by the Chairman of the Finance Committee.
 - ii. Update from the Minutes of the Meeting 11.12.25:
 - The Office IT needs are still being considered and this matter has been passed to the Digitalisation Working Group.
 - It is felt that there is no issue at the moment with mushrooms growing in the bark safety surface at the Sports Centre Play Area and the Town Operatives will be asked to rake the bark and replenish areas in need of topping up. The Play Area will then be re-opened. Once prices have been obtained for possible other safety surfaces which would make the area more accessible to all a meeting will be arranged with the Sports Centre.
 - Noted that the transfer of the Breckland Council owned car parks to the Town Council is progressing. There is a query regarding whether VAT will be able to be reclaimed on future maintenance works on the car parks but this will hopefully be confirmed prior to transfer. Breckland Council is also offering other land which it currently owns to the Town Council and Breckland has scheduled a meeting for January 30th to provide parishes with more information. If the Clerk cannot attend the meeting Cllr Saunders offered to.
 - iii Other items raised by Full Council

Noted that the Town Council has agreed to continue with the current contractors for servicing of the emergency lighting system at Wayland Hall.

(Some while ago the Council had been visited by officers from Norfolk Constabulary regarding the Police presence at Wayland House. A request will be made for an update on the Police lease of the premises).

4. Bank Reconciliation

The Finance Committee members were issued with a Bank Reconciliation dated 31.12.25. The Bank Reconciliation will be checked and signed by the Internal Control Officer on 16.01.25.

Members were presented with net figures showing current expenditure against the budget.

Points raised:

- Noted that no sponsorship has yet been received from Cranswick for the 2025 Firework Evening.

5. Insurance

Members had been presented with copies of the Insurance Schedule, Risk Details and Statement of Fact.

The Internal Auditor suggested in his interim report that the Council should increase its Fidelity Guarantee to £1m cover. This will be implemented at an additional cost of £160.24 for the current year.

Having had sight of the insurance documents members of the Committee were happy with the arrangements and cover as shown.

6. Cemetery Fees

Following a request for the inclusion of ashes with a burial a query was raised regarding charges. In this instance, when the family has requested acknowledgement of the final resting place of those whose ashes have been interred it was considered the usual charge should be made.

7. Breathe HR

A recommendation will be made to Full Council that the Council will subscribe to Breathe HR at a cost of £22 per month for the basic software package plus £10 per month to add "Rota, Time and Attendance" which will record employees working times. It was stressed the software should be trialled for a year and the contract needs to contain a clause stating an end date.

A further recommendation will be made that the Council accepts the quote of £1000 from SJB Safety Solutions for a Health & Safety audit to be undertaken to ensure all relevant arrangements are in place.

8. Date of the next meeting: Finance Committee:

Thursday February 13th 2026 @ 10.00am.

Noted that the current pattern of holding three meetings on the same day is taking up a lot of staff time on that day. It was suggested the Digitalisation Working Group meeting could be more ad hoc with meetings called as needed.

Recommendations to Full Council:

- that the Council will subscribe to Breathe HR at a cost of £22 per month for the basic software package plus £10 per month to add “Rota, Time and Attendance” which will record employees working times.
- that the Council accepts the quote of £1000 from SJB Safety Solutions for a Health & Safety audit to be undertaken to ensure all relevant arrangements are in place.

Staff present: Clerk and Deputy Clerk

1. No Apologies for absence received. Noted that Sue Hebborn is the reserve member.
2. Resolution passed to exclude the public and press to consider confidential staffing matters.
3. No Declarations of Interest made.
4. The minutes of the HR Committee meeting held 11.12.25 were accepted as a true record and duly signed by the Chairman.
5. Staffing Update
 - Noted in the Finance Committee meeting that the cost for the Events & Marketing Officer to undertake training for the Certificate in Local Council Administration is estimated to be around £1000 which will be covered within the allocated 2026/27 staff training budget. It was suggested study time could be allocated when the EMO is taking her weekly working from home day.
 - Following request for paid absence to attend hospital appointments and having taken advice from the HR consultant, it was felt that medical appointments should be considered on an individual basis and this will be reflected within the staffing policies now being reviewed.
 - Councillors had been made aware of assistance given by the Town Operatives to manage traffic following a road traffic accident along the Brandon Road. It was requested that an item be put on the next Full Council meeting agenda to consider how staff or members of the public might be recognised when they go above and beyond. A Community Champion award or certificate could be considered.

5.1 Job Descriptions (JD) and Person Specifications

- Updated Job Descriptions and Person Specifications have been provided by the consultant engaged to undertake this exercise before they move on to job evaluation of all posts. These have been shared with staff and members of the HR Committee, and some comments have been noted:
 - Wayland Hall Cleaner – JD ok
 - Office Support Clerk – JD ok [It may be that consideration needs to be given to the above two roles knowing that the current post holder is expected to retire in May 2026].

- Town Operatives – JD ok
- Food Hub Supervisor - The Food Hub Supervisor has stated that she would like the job title to be “Food Hub Manager”. The consultant has advised that giving the title Manger would suggest the post holder should be part of the proposed Senior Management Team.

However, members of the HR Committee stated a willingness to change the post title to Food Hub Manager, and a recommendation will be made to Full Council to consider the post worthy of the suggested name change to more accurately reflect the role being undertaken.

- Community Projects Officer (CPO) - Note position is referred to as Community Projects Manager in current JD. CPO has commented that the Marketing & Promotion part of the role is now undertaken by the Events & Marketing Officer. There is a cross over in the arrangements for the management of the Charlotte Harvey Trust in that the JD for the Community Projects Officer gives responsibility to the CPO for managing meetings of the Trust but it is the TC Clerk who is also listed as Clerk to the Trustees of the CHT. This and financial management of CHT needs clarification.
- The Deputy Clerk has raised points within the JD for the post, and these will be noted prior to acceptance of the new JD.

The Deputy Clerk JD also refers to duties relating to finance management of the CHT and support for the Clerk as RFO with both to be further considered. Other points around line management of other staff, attendance at events and Cemetery management also need clarification. The Deputy Clerk has also expressed a desire to be considered for working from home from time to time and it was suggested home working for the Town Council Office staff should be trialled if appropriate to the running of the Office. Benefits of working from home will be reviewed in three months' time.

- The Clerks JD will be slightly amended to clarify work undertaken for the Charlotte Harvey Trust (CHT) and Watton & Saham Flood Action Group. It was suggested consideration could be given to removing the Responsible Finance Officer (RFO) role from the Clerks duties, but the Council must appoint an RFO and in the majority of appointments, especially within parish and smaller town councils, the Clerk is the RFO. It may be that as the Council grows the RFO position could become a standalone post and help alleviate the Clerks workload.
- CHT Caretaker – ok but consideration needs to be given to the role as the current post holder is retiring on 20.02.26.

The Office will liaise with staff concerned and amend the JDs as suggested which will then be shared with Full Council before passed to the consultant for job evaluation.

5.2 Staff Recruitment

Consideration was given to the vacancy which will arise when the current Community Hub Caretaker retires on 20.02.26. Suggested amendments made regarding the job description and advert for the role will be made to be then shared with Full Council on 27.01.26.

It will be recommended that the role should become known as the “Town Council Caretaker” and that an additional five hours be added to the position to give time to also add cleaning at Wayland Hall to the role.

6. The next HR Committee meeting will be held on:

Thursday February 12th 2026 at 11.00am.

Recommendations to Full Council

- 1. To accept the Job Descriptions as presented**
- 2. To accept the recruitment package for the Town Council Caretaker as presented.**

Item 12.2

The Job Descriptions as presented will still be subject to slight amendment to Person Specifications to ensure uniformity.
